Re: Our File 582-736 Pakistan, PM 562

Dear Bill:

We have received an Official Action in the above-identified application and enclose a photoprint copy of the agents letter reporting the action to us.

The objections raised by the Examiner for the most part are of a formal nature, and we think the recommendations of the agent are to be preferred in regard to filing response. We will order the foreign patents referred to in paragraph 2 of the action and send them to the agent.

Since the case should be placed in condition for acceptance by January 31, 1973 we would like to have your instructions not later than September 15, 1972.

Very truly yours,

George J. Brandt, Jr.
